March 17 is fast approaching and with it, the ultimate Irish party.

St Patrick's Day in 2017 promises to be bigger and better than ever.

But you don't have to flock to Ireland to join in on the colourful celebrations.

Dust off your green garments and perfect your Guinness-drinking skills for a St Paddy's themed weekend in **London**.

Express.co.uk has the low-down from DesignMyNight on the best shenanigans in the UK capital.

From exclusive whiskey tastings to a Father Ted-themed night in Clapham, this Paddy's Day will be one to remember.

Cocktail Club with Teeling

If whiskey is your tippie of choice, then you need to head to London Cocktail Club on the 17th. They're hosting an event with Teeling in their Studio room, all in the name of Ireland's patron saint.

Spirit industry professionals will be coming along on the night, teaching you how to create two cocktails, educate you on the history of Teeling Irish Whiskey and treating you to a private sample tasting.

There will also be a special Paddy's Day-themed cocktail menu to get stuck into afterwards.
